Gymnastics is the foundation for all other sports combining power, strength, coordination, flexibility, grace and self confidence all at the same time. I have been teaching kids in the Flathead Valley for 20 years. We offer classes for kids of all ages, both boys and girls, from 18 months to adult. With one of the most modern and up to date gymnastics facilities in Montana. We will provide your child with the best in instruction and equipment. Come join the fun at Flathead Gymnastics Academy
